

Silhouette® FR Window Shadings

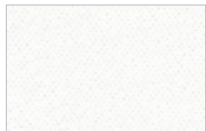

Silhouette® FR Window Shadings combine the advantages of draperies and shades into a single beautiful window covering. Silhouette shadings have soft fabric vanes suspended between two sheers to produce the soft, elegant look of a sheer with the light control of a blind.

KEY FEATURES

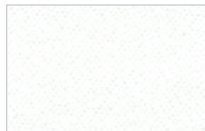

- Silhouette shadings retract into fabric-covered headrail for unobstructed views
- Digital printing capabilities let you add patterns and colors to the shadings, creating custom designs
- Passes NFPA 701 Small Scale Flammability testing
- For safety, EasyRise™ continuous cord loop and cord tensioner anchor cord at side of window
- Lifetime Guarantee
